PERIAUGER

DOBBS FERRY HIGH SCHOOL
Dobbs Ferry, New York

Alma Mater

*In the midst of nature's garden,
Stands our Alma Mater dear;
Stately edifice of culture
And of learning through the years.
Past us rolls the mighty river
Wooded acres on its shores.
God has formed a perfect background
For the school that we adore.*

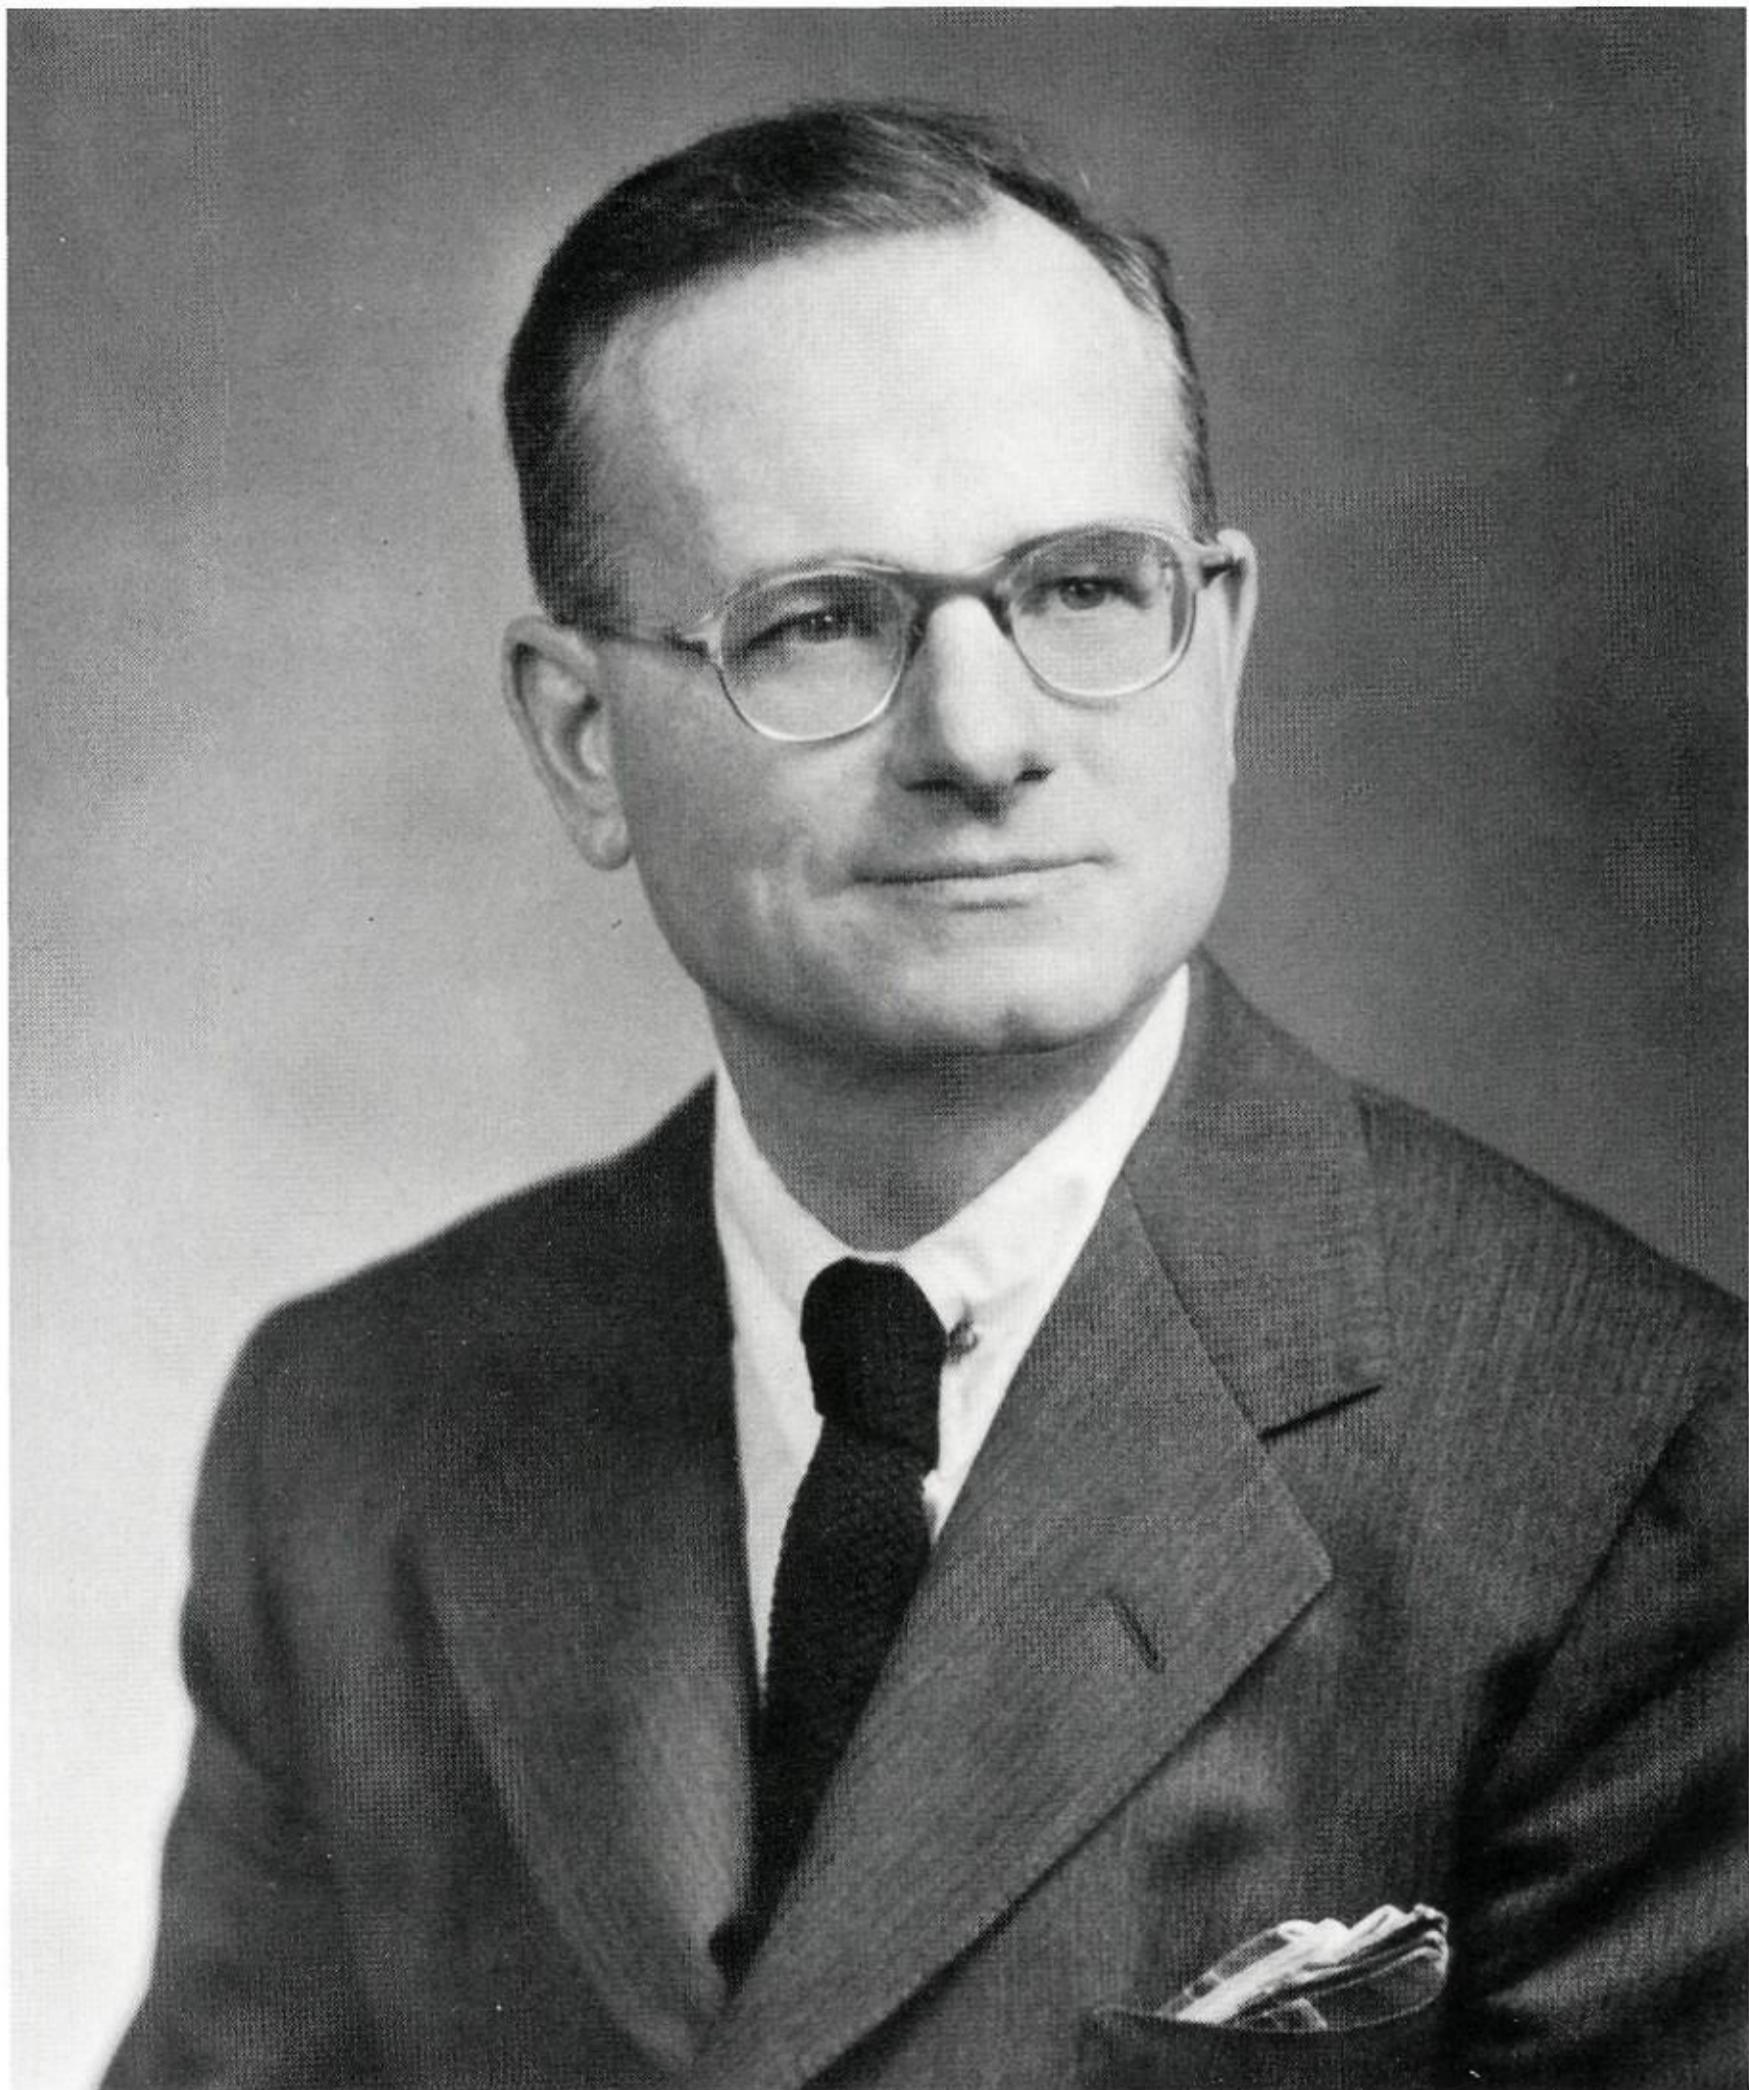

*May the Hudson's sparkling waters
Surging onward to the sea
Symbolize the depth and passion
Of our loyalty to thee.
Rugged crags and towering mountains
In the distance meet the sky;
We will climb with you to guide us,
So, hail, all hail to thee,
Dobbs Ferry High.*

The PERIAUGER

Its History

The yearbook of Dobbs Ferry High School is named for the first ferry boat to make the passenger run between Dobbs Ferry and Sneden's Landing on the opposite side of the Hudson River. This craft, a roughly built boat, was owned and operated by Dobbs Ferry's first European resident, Jan Dobbs—a Swedish immigrant.

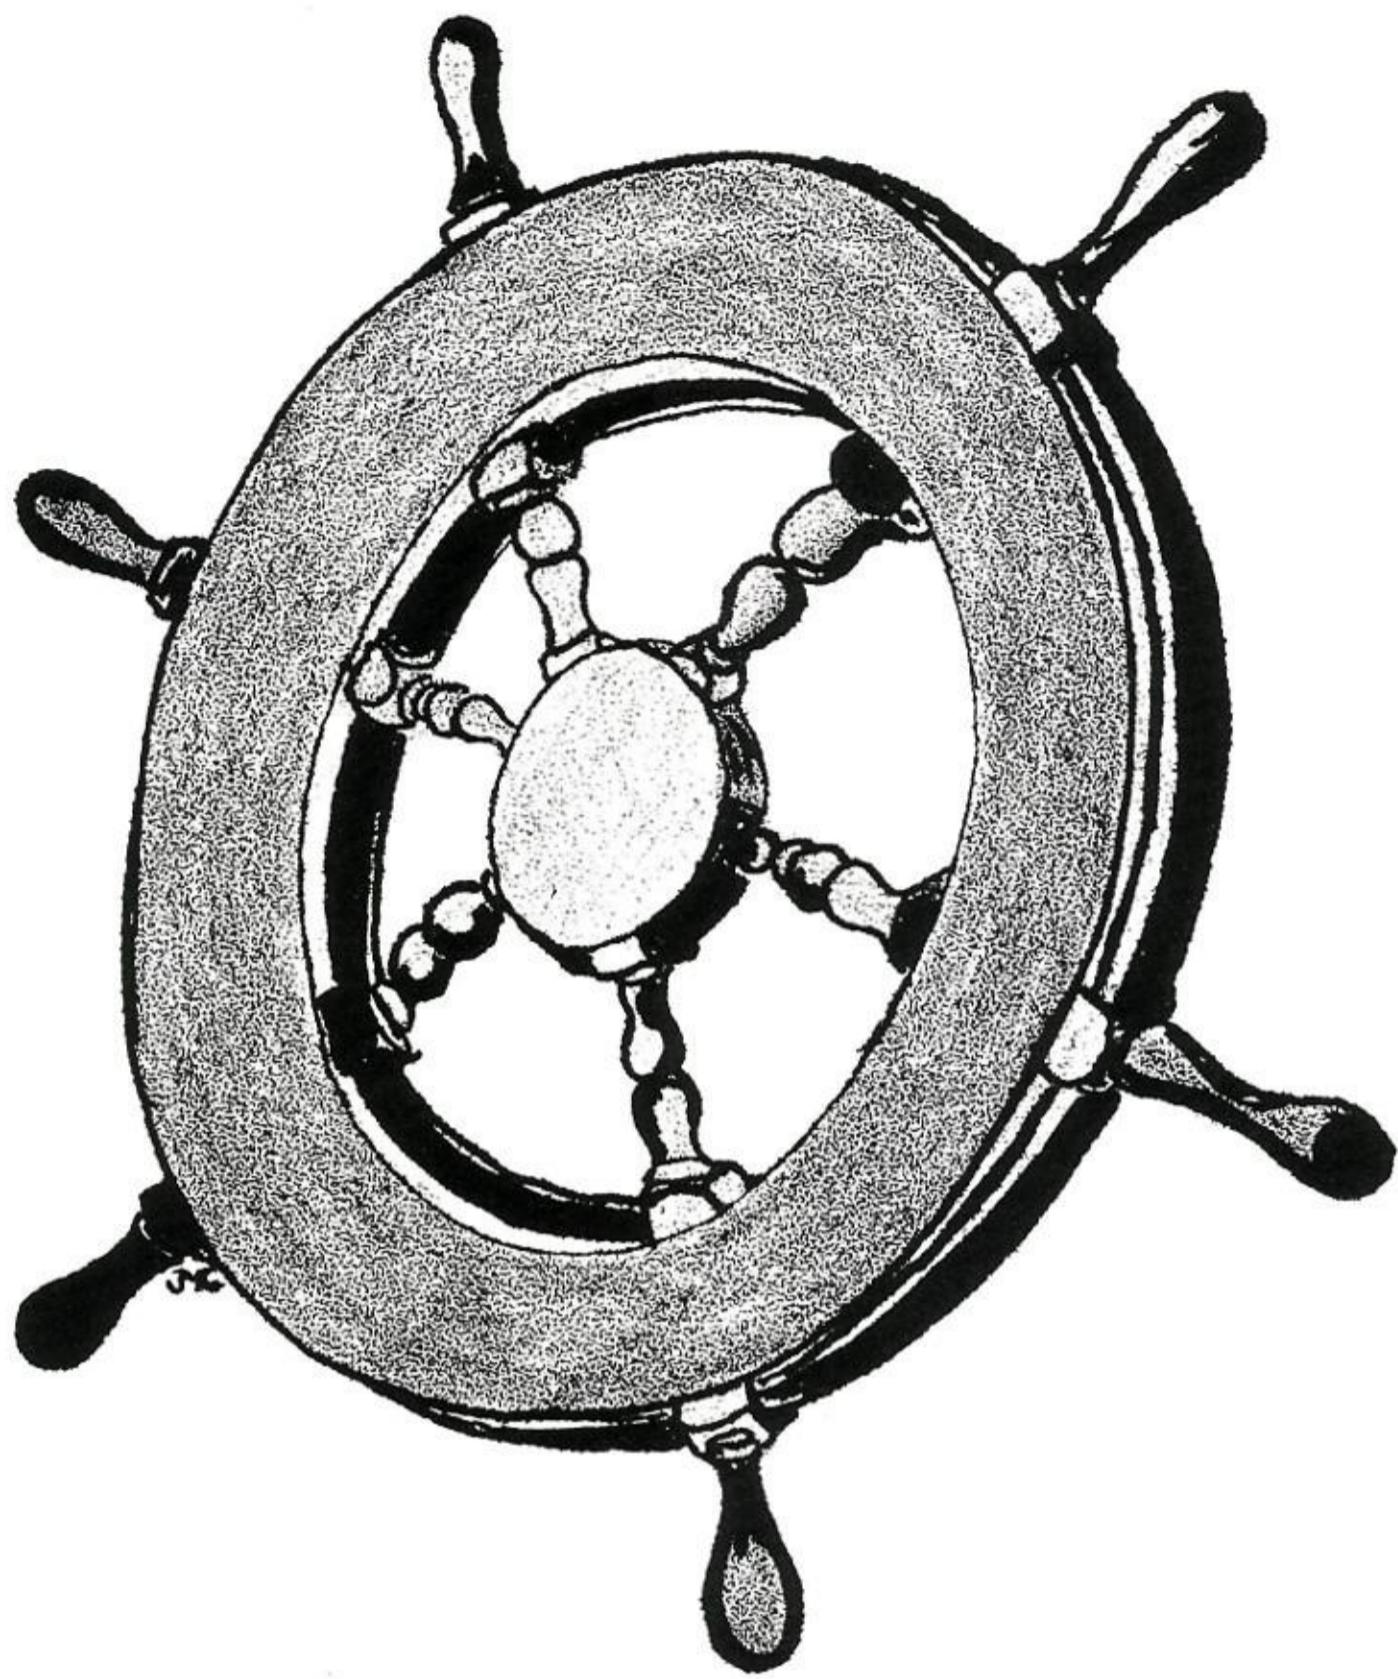

We hope, that through naming our yearbook after Dobbs' "Periauger," we will recall to the minds of the people of this town and those of us, who have grown up here, the significance of our American heritage.

THE VOYAGE OF THE GOOD SHIP "PERIAUGER"

Our voyage through Dobbs Ferry High School is nearly over. We have charted our course through many seas, and called at many ports along the way. We have rooted hard for our football and basketball teams, and have seen them through many successful seasons. We have collected a cargo of information from many subjects and activities and have sailed through many interesting concerts and dances. The teachers and friends whom we have come to know so well here during these past four years will never be forgotten. Indeed, many fond memories of D.F.H.S., both serious and silly, have been tucked away in our duffle bags.

Thus, it is with the hope that you, too, will enjoy your voyage through D.F.H.S. that the Class of 1959 has charted in these pages its course on the Good Ship "Periauger."

NEAL WALLIN BAKER

"Still waters run deep."

Always a friendly smile and an unobtrusive presence—this is Neal Baker. Although quiet by nature, his qualities were soon discovered by his classmates and he became a popular member of our class. He was elected Treasurer of the Senior Class and officer of the chorus. His blond good looks make him the idol of a great number of admiring girls whom he charms by a mere shy smile. He was equally admired for his athletic prowess. Coach Dyer considered him one of the greatest high school quarterbacks ever and he was an invaluable member of the baseball team. Neal's future plans include Colgate and engineering and we are sure he will succeed at whatever he attempts. However, due to a serious accident during a football game early in the season Neal will not be officially graduating with our class, but he will always remain in our hearts as a member of the Class of 1959.

"I want that glib and oily art, To speak and purpose not."

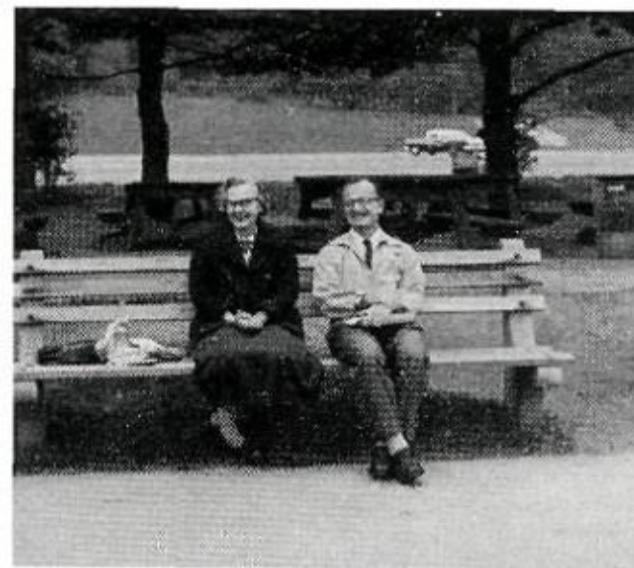

Sincere, friendly Bob made a place for himself early in our class. His pleasing personality and intelligence have combined to form a wonderful person to know. He has been especially active in the musical program of our school as well as in the science department. Elected to the Honor Society in his Junior year, he has proven himself many times worthy of that honor. Whenever there has been a job to be done, Bob has always been willing to assist. His leadership has been shown by his being elected an officer of many activities and Vice-President of the Honor Society. Unfortunately, due to a serious illness, Bob will not officially graduate with our class. However, he will always be, to the Class of 1959, an integral and important member.

First main event—receiving our class rings at last, officially Seniors, with Senior privileges . . . "Just sittin' in the Balcony" . . . September 30th, Bear Mountain for a fabulous Senior Day—the aches are to come later . . . The "red tape" starts early for hopeful graduates—ordering announcements, personal cards, measuring for robes . . . How can we ever forget all those great Senior "get togethers?" . . . Terrific ability in Varsity sports shown by V.I.P.'s such as Tom O'Reilly, Dave Carroll, George Graham and Babe Grande, our leading captains . . . Under Captain Tom's leadership, the Seniors chart a new course by having the Senior Ball in February rather than in December . . . Far off Broadway production of "Charley's Aunt" . . . Working on the Yearbook in the Library Annex? . . . Last banquet aboard ship—Senior Dinner . . . Graduation June 19—The ship reaches its destination and the Graduates disembark.

As we approach the end of our high school voyage, we reflect upon our past course
with fond memories which we will hold within our hearts forever.

Student Council

Albert Muscari
President of the Student Council.

" . . . to give each student the opportunity to develop his ambition as a competent and responsible member of his school, community and nation and to establish a medium for good student-faculty relations." These few lines express the suposes of our Dobbs Ferry High School Student Council as stated in its constitution. This year's Student Council, capably led by Albert Muscari, president, and advised by Mrs. Marie McManus, has diligently functioned with this objective in mind. Among the outstanding projects undertaken by the Council were the sponsoring of the Hospital Drive in the fall, and an all-out effort to relieve the congestion in the halls. Our Student Council has enabled members of the student body not only to improve conditions prevailing in the High School but also to serve themselves and the community.

County — WWL Champions

Varsity Football

This year, the Eagles, led by Co-Captains, Dave Carroll and Tom O'Reilly, fought valiantly to reverse last year's 2-5 record and position at the bottom of the league. Despite several unfortunate accidents, the Eagles gained the Western Westchester League

Co-Championship with a 6-2 record. Moreover, four members of the squad — Ron Aubel, Joe Balducci, Dave Carroll and Peter Lucie — were elected to the all-league team while George Graham and Tom O'Reilly received honorable mention.

Varsity Basketball

This year's Eagles basketball squad, coached by Mr. Kohl, bounded through their 1958-1959 season with an impressive 10-2 league record and tied with Ardsley and Hendrick Hudson for the Western Westchester League Championship. Sparked by the fine ball handling of the "Three Gs," George Graham, Babe Grande and Dave Gifford, and the good defensive play of the other members of the squad, the Eagles remained at the top of the league through their first eight league games. However, in meeting Ardsley and Hendrick Hudson for the second encounter of the season, the Eagles fell to the opposition and were consequently involved in a three way tie with these two squads for the championship.

Undaunted, the Eagles moved into the Section 1, Class C Tournament where they came out the victors, beating Brewster, Hendrick Hudson and Carmel in succession. This year, the Eagles proved themselves to be one of Westchester's finest ball clubs and one of which we are justly proud.

Dear Friends and Readers:

We, the editors of the 1959 *Periauger*, would like to take this opportunity to express our appreciation to all those who made the publication of this book possible.

We are grateful to the seventh and eighth graders who worked especially hard during the magazine drive and are a credit to the Classes of '63 and '64. Also we would like to commend our Senior Class, many of whom did exceptionally well during the magazine drive. We would also like to thank those who have supported this *Periauger* through the purchase of Boosters, as well as the Seniors, who worked hard to finance this book. We feel especially grateful for the cooperation of the administration and faculty, and for their patience when inconvenienced during the preparation of our yearbook.

Finally, without the willing, capable efforts of the staff in meeting deadlines and helping in crash programs, this book would not have been possible. And we extend our thanks to our faculty advisor, Mr. Walter V. Danahar. His many suggestions and hours of work are deeply appreciated.

We hope that you, our readers, will enjoy this "Voyage of the Good Ship *Periauger*" as much as we enjoyed preparing it for you.

Your editors,

SUELLA WEILAND

*"We sail the Ocean Blue,
And our Saucy ship's a beauty;
We're sober men and true,
And attentive to our duty.
When the balls whistle free
O'er the bright blue sea,
We stand to our guns all day;
When at anchor we ride
On the Portsmouth tide,
We've plenty of time for play."*
